The normative cost for the intensive is \$375. Financial assistance is available based on personal need. Please check the appropriate below (Do not make payment at this time).

I wish to apply for financial assistance.

I do not need financial assistance.

I wish to donate an additional: \$25, \$50, \$100, other (\$_____) above the \$375.

Please respond to the prompts below:

1. Describe previous inner work training that you may have done. This may be in the form of retreats, seminars, MROP, or other personal work. (“None” is a perfectly acceptable response.)

2. Why do you feel this is the right time in your life to pursue the work of the Howling Cohorts? (What have you been tracking in your life that's becoming meaningful at this time? What life issues are coming up for you? What in you is stirring at a deep, but perhaps barely conscious, level?)

3. How do you hope your experience and training in the Cohorts will manifest and enhance your life, including your world around you?
